1. Cut out the start card, cards 1–7 and the treasure tag.
2. Hide them using the host sheet: card 1 on a window sill, card 2 by the cookie jar and so on. Put the gift and its tag under the Christmas tree.
3. Hand over the start card. Read each picture together.

4. Each card shows a little picture code. Tap it in the companion to collect the card and move the penguin along the map.

5. Need help? The companion has a nudge, a strong hint and the answer for every card.
