Grown-up quick guide

1. Cut out the start card, cards 1–7 and the treasure tag.
2. Hide them using the host sheet: card 1 by a family photo, card 2 by the fruit bowl and so on. Put the pie or treats and the tag on the table under a cloth.
3. Hand over the start card. Read each picture together.

4. Each card shows a little picture code. Tap it in the companion to collect the card and move the turkey along the map.

5. Need help? The companion has a nudge, a strong hint and the answer for every card.
